LEGAL AID CLINIC

ABOUT LEGAL AID CLINIC

The NLIU - Legal Aid Clinic ("LAC"), which is driven by the ethos of Article 39A of the Indian Constitution, has been established under the aegis of the National Legal Service Authority. It is a student-run initiative, which aims to provide free legal aid to the marginalized sections of the society. Our aim is to provide pro bono legal representation and advice to the weak and downtrodden. Additionally, we also organize various legal literacy workshops and training programs to spread legal awareness to further the cause of legal literacy. All this has been made possible by the constant support of our collaborators:

1. Madhya Pradesh State Legal Services Authority,
2. District Legal Services Authority
3. Deconstructing Disability Blog
4. Committee for Legal Aid to Poor
5. Haryana State Legal Services Authority

LAC would like to extend its deepest gratitude to our Vice Chancellor, Dr. V. Vijaykumar, who is always a source of inspiration and guidance. We would also like to express our utmost gratitude to Mr. Sandeep Sharma, Secretary of the District Legal Service Authority (DLSA), Bhopal for providing a boost to our initiatives and collaborating with us and helping our project touch more lives in an efficient manner.

We would also like to thank Smt. Giri Bala Singh, Member Secretary, MPSLSA who has always been a pillar of support. Our special thanks to the entire MPSLSA team and the DLSA team, who have been willing to collaborate with us, enrich the project with their vast expertise in the field and helped our project flourish.

NOTE FROM FACULTY-IN-CHARGE

“The NLIU Legal Aid Clinic, established under the aegis of National Legal Services Authority, is a student-run initiative aimed at providing legal assistance to socially and economically backward and marginalized sections of society who have difficulty in accessing the judicial system. LAC is driven by the ethos of Article 39A of the Constitution of India and strongly believes that law is for public good.

The Clinic, which is driven and managed by our students, has provided legal assistance by conducting extensive research on legal issues and problems that affect the general public, thereby representing them at appropriate forums.

The Clinic is not restricted in its scope by merely providing pro bono litigation rather it, inter alia, endeavours to undertake legal literacy initiatives, spread social awareness and conduct prison reform activities as well. NLIU-LAC has been consistently engaged in creating awareness through legal awareness drives and social media platforms on a diverse range of issues including Domestic Violence, Rights of Street Vendors, Cyber Bullying etc. and overall promoting the culture of legal aid in the country.

I would like to take this opportunity to thank my entire team of Legal Aid Clinic, which under the leadership of the Ms. Prashasti Singh (Convener 2021-22) and Mr. Parth Tyagi (Co Convener 2021-22), has worked hard to achieve its objectives. I also sincerely hope and wish that the Legal Aid Clinic's journey continues and that it further serves the legal needs of society's underprivileged groups with a stronger sense of devotion and compassion.”

LOK ADALAT

On 11th September, 2021 a National Lok Adalat was organised across the Country. District Court Bhopal had also contributed to it by organising the same at the District & Sessions Court Complex with the help of District Legal Service Authority (DLSA), Bhopal.

Mr. SP Singh Bundela, on behalf of the DLSA, Bhopal had extended an invitation to the NLIU Legal Aid Clinic. Para legal volunteers of NLIU-LAC were invited to attend and witness the court proceedings in order to understand the functioning of the Lok Adalats.

A team of 12 students who were primarily in the first & second year of their study visited the District & Sessions Court Complex, Bhopal to witness the Lok Adalat. The Judicial Officers especially Mrs. Giribala Singh, Chairperson, DLSA, Bhopal & Mr. SP Singh Bundela, Member Secretary, DLSA, Bhopal were very hospitable and enthusiastic to meet the students from NLIU-LAC.

The volunteers were made aware of the need for frequently organising such Lok Adalats and how this helps in quick dispensation of justice to the poor, needy & underprivileged sections of the society.

TOWARDS PRIDE & WELFARE

The High Court of Madhya Pradesh taking cognisance of the deplorable living conditions of the Transgender community in Indore, directed the State and District Legal Services Authorities to assist the community to gain access to basic amenities.

In furtherance of the same, the District Legal Services Authority, Bhopal, in consultation with two transgender paralegal volunteers, prepared an action plan for the implementation of the guidelines given by the Court. The action plan was implemented in three phases. NLIU-LAC assisted DLSA with research, awareness, and media outreach campaigns throughout the initiative.

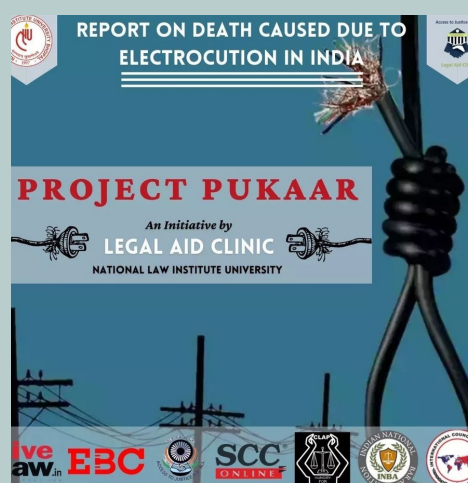

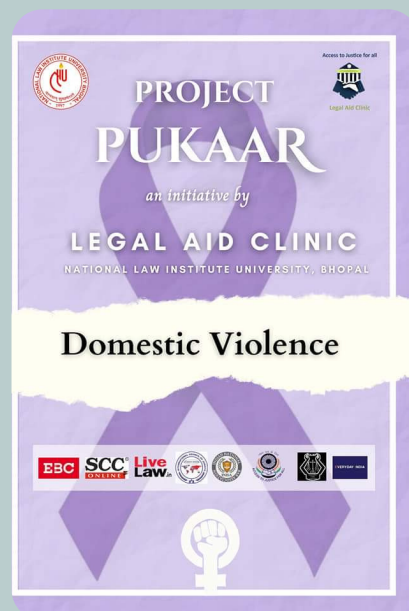

A meeting was held with two of the transgender paralegal volunteers associated with District Legal Services Authority, Bhopal. It has been decided that the guidelines of the court will be implemented in three phases. Predominantly, the paralegals shall make and submit a database prepared from a survey of all the transgenders from Bhopal who are deprived of 'Ration' cards, 'Aadhar Cards' and 'Transgender Cards'. Following which, the District Collector shall appoint a Nodal officer who will assist DLSA, Bhopal to permeate the existing list of transgenders after being thorough with the submitted database. Lastly, District Administration will organize camps at trans populated areas such as Mangalwara and Budhwara where 'On spot' registration shall take place to ensure that the process of making ID cards is convenient and accessible for Transgenders.

Legal Aid Clinic will be assisting DLSA, Bhopal with it's research, awareness and media outreach campaigns throughout the whole initiative.

PROJECT PUKAAR

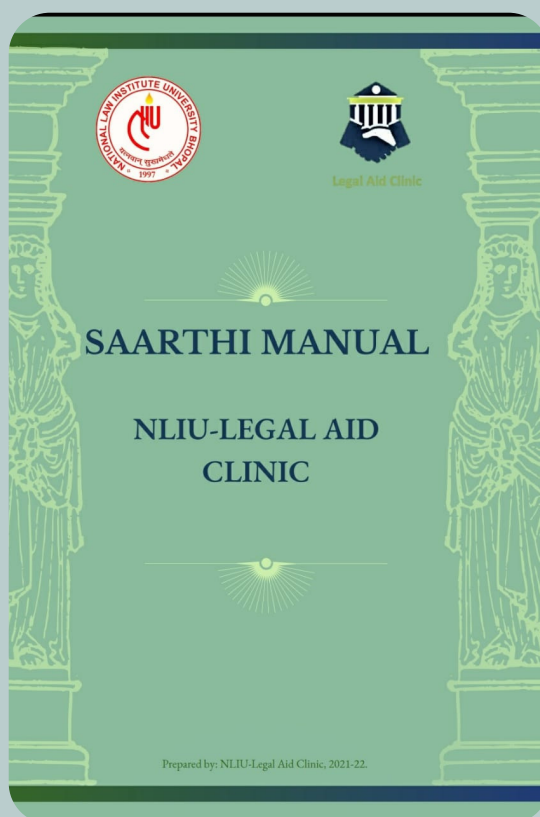

NLIU-LAC under the banner of Project Pukaar launched its first general awareness report of this year on “Domestic Violence”. This report stresses on the changes or improvements that can be made to prevent and alleviate the rampant surge of such violence. While there is no denying that attempts have been made to address the problem of domestic violence through the laws, there exists a need to spread awareness regarding the legal limitations and lacunae in these laws. NLIU-LAC has also put together a few suggestions and prospective improvements to the existing legal framework.

NLIU-LAC launched its second general awareness report on Deaths Caused Due to Electrocutation in India. This report focused on how compensation is awarded in cases of deaths due to electrocution. Furthermore, the report elucidated upon the imposition of liability as a result of such deaths. The Legal Aid Clinic had also put forth suggestions and solutions to prevent injuries and deaths due to electrocution.

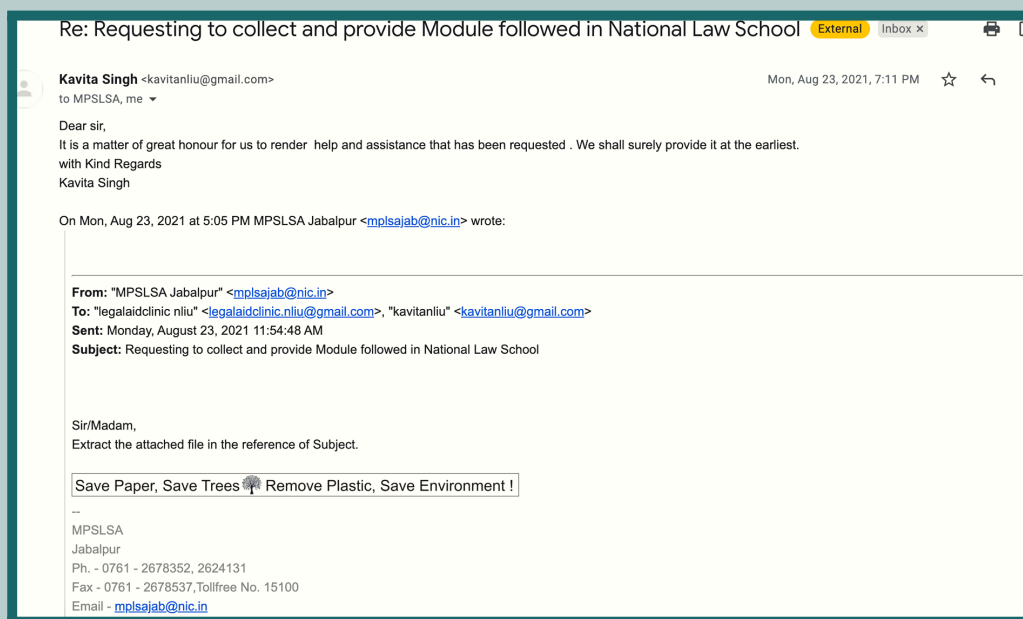

PROJECT NEEV

The aim of Project Neev was to help other budding colleges and newer NLUs to establish a Legal Aid Clinic in their respective colleges. The idea stems from the fact that a lot of new law colleges have come up, including various new NLUs; however, they do not have a functional Legal Aid Clinic, owing to various factors like lack of support from their respective administrations or lack of required knowledge and experience.

PROJECT NEEV

NLIU-LAC, on special request from the MPSLSA and Karnataka Legal Services Authority, shared its comprehensive Saarthi Manual on the modus operandi of our online helpline with NLSIU, Bangalore and extended assistance to the institution to make them aware of the intricacies and nuances involved in the operation of a dedicated helpline.

BUXWAHA FORESTS

NLIU-LAC has rendered its assistance in the ongoing matter related to Buxwaha forests last year. It is pertinent to note that this year the Hon'ble High Court of Madhya Pradesh has granted interim relief to us. Prior to commencing any construction activity, the contractor has to take explicit consent of the High Court.

This commendable feat was achieved with the cooperation and assistance of Advocate Anshuman Singh & our empanelled advocate Anuj Shrivastava.

AAPKE ADHIKAR INITIATIVE

'Aapke Adhikar' is a series initiated by NLIU-LAC to spread legal awareness and legal literacy. In this academic session, Aapke Adhikar initiative aimed at addressing:

- 1. Rights of Street Vendors** - Street Vendors make up one of the most deprived sections of our country's unorganised sector. They face issues of eviction, lack of basic amenities and poor social security. Hence, NLIU-LAC in its Aapke Adhikar series brought "Rights of Street Vendors" to empower the community with essential knowledge of the laws.
- 2. Vaccination Guidelines** - NLIU-LAC also brought COVID Vaccination Guidelines with the intention of updating the masses with all the major developments in legal and social spheres.

आपके अधिकार

STREET VENDORS CANNOT BE EVICTED WITHOUT PRIOR NOTICE

The Supreme Court has held that forcible eviction of hawkers without prior notice is infringement of their Right to Life, provided under the Constitution.

A street vendor cannot be relocated or evicted from the place specified in the certificate of vending unless he/she has been given thirty days prior notice by the appropriate government.

Olga Tellis & Ors vs. Bombay Municipal Council, [1986 AIR 180] Section 18(3), The Street Vendors (Protection of Livelihood and Regulation of Street Vending) Act, 2014

VACCINATION GUIDELINES

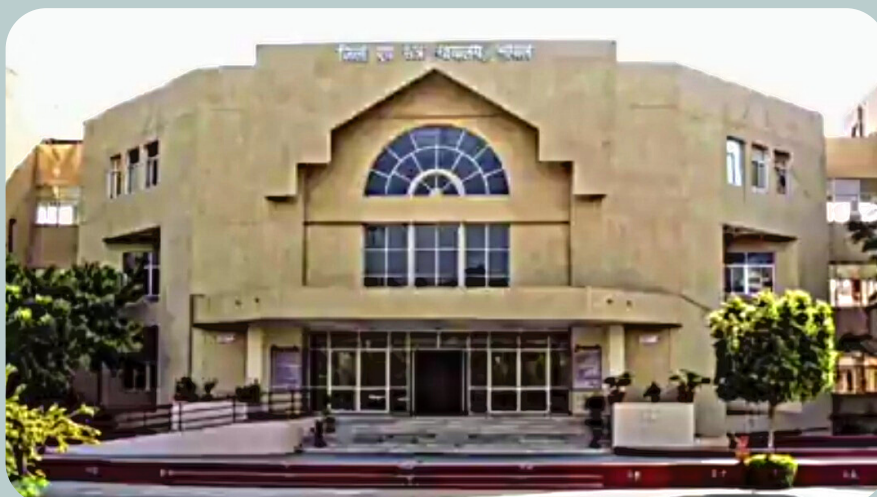

The nature of vaccination drive should only be convincing in nature and not be forced, or misguided. The mandate of vaccination requirement for opening shops and businesses is violative of the fundamental rights of the citizen. The High Court of Meghalaya directed the shopkeepers to put a VACCINATED/ NOT VACCINATED sign at a noticeable place.

(Registrar General, High Court of Meghalaya v. State of Meghalaya, AIR 2021 Megh 40.)

VIDEOS TO PROMOTE LEGAL AID

NLIU - LAC prepared two videos for MPSLSA this year. The first video was about the 'Benefits of Lok Adalat' which was played during the opening ceremony of Lok Adalat in September 2021. The second video focussed on the 'Evolution of Mechanism of Legal Aid and Efforts of MPSLSA in Providing Free Legal Services' thus far. It was played during the Legal Services Week (8-14 November, 2021). Both these videos were played at Bhopal and Habibganj railway stations as well.

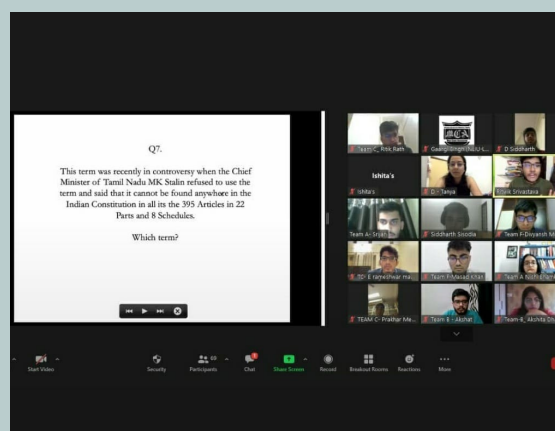

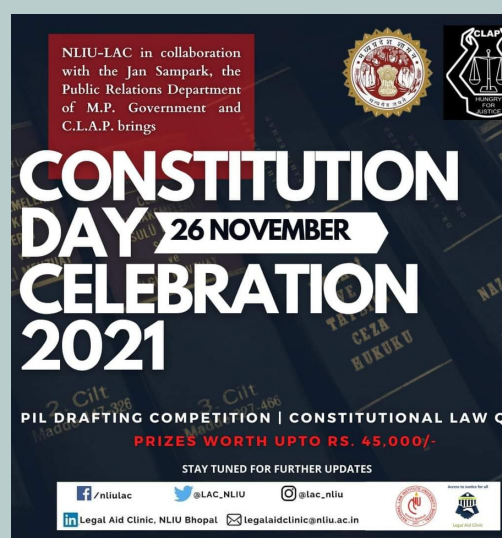

CONSTITUTION DAY

To celebrate Constitution Day, NLIU LAC has been organising competitions for the last two years. This year, we organised the PIL Drafting Competition and the Intra NLIU Constitution Law Quiz.

The PIL Drafting Competition was organised in collaboration with the Department of Public Relations of the Madhya Pradesh Government (Jan Sampark) and C.L.A.P. The PIL Drafting Competition was based on the theme of fostering research on contemporary legal and social issues of relevance.

The Intra NLIU Constitution Quiz was also hosted over a period of two days, in collaboration with Jus Cultura, the debating, quizzing and literary society of NLIU. The quiz was based on the Constitution, its history and the trivia related to it. It aimed to increase awareness and enthusiasm about Constitutional Law amongst students in a fun, zealous and competitive manner. Participation was open to all NLIU students, with cash rewards for the winners and runner ups.

Overall, the 2021 Constitution Day Celebration was a success. Despite being held online, the participation and enthusiasm of students and faculty was noteworthy.

PRO BONO CLUB SCHEME
